- Jakarta Logging Creation Review

- o Do we want to invite Christian to the next Jakarta Specification Committee call for a Q&A before we begin a straw poll to inform him if the creation review would be likely to go ahead?
  - No. Just follow the process and let the creation review begin.
- New Specification Proposal- Jakarta Query
  - o https://github.com/jakartaee/specifications/issues/777
  - o Any concerns or comments?
    - No initial comments or objections, proposal can go ahead to allow members to better formulate opinions
- [10/30] Issue #55 was discussed, a proposal was presented by Ed Bratt for consideration
  - o Check in on Ed's document: link
  - o Check with EMO for any conflicts with other processes
  - o Discuss and potentially vote
    - Carry over to next meeting when Ed Bratt is back
- Jakarta EE 11 release retrospective ongoing [All]
  - o Review the open issues:
    - Determine which issues to label as "enhancement" and add to our board
    - Close issues which can are no longer relevant or have been dealt with
  - o Feel free to open new issues here which we will get to after the release is done. Add the "enhancement" label.
